**K.P.S. PUBLISHING HOUSE  
JALANDHAR**

# WHY BAIRN BOOKS ?

**OUR VISION IS TO IMPART EVER ENHANCING KNOWLEDGE TO MEET THE MODERN OUTLOOK AND DEVELOPMENT THAT IS FAST ENCOMPASSING THE MODERN WORLD.**

**“EDUCATION COMES FROM WITHIN ; YOU GET IT BY STRUGGLE, EFFORT AND THOUGHT.”**

K.P.S. Publishing House, is what happens, when innovative ideas and channelized knowledge get combined to move ahead into a visionary future. Although, recently having made its advent into the publishing domain, our firm has over 41 years of experience as bookseller and 15 years of experience as Books Publisher of I.C.S.E. and C.B.S.E. Help books and we know which vein to catch, of the keen eye of a reader and learner. This leap from selling books to making our own, was deliberated upon with the view of creating, what the market wants rather than only giving to the consumers, what the writer thinks they need.

K.P.S. Publishing House has made an indelible impact in cultivating enhanced knowledge. There are books, catering to children of all groups, right from early learners to eager ones. We have ventured into writing and publication of books on English, Hindi & Punjabi Alphabets, writing, cursive writing, rhymes, picture dictionary, Maths series, etc.

## **THE FEATURES OF BAIRN SERIES ARE :**

Our Unique Selling Point is the organized and high quality structure that we provide to our books, which has been extremely appreciated.

All books come in series, so that progress is methodical and on a measured gradual scale.

Illustrations in our books is appealing, interesting and wonderfully suited to the context.

All the books are graded by experts and professionals in their respective fields so that the knowledge being imparted is experience backed and firmly founded.

We have always kept in mind to cover as much as possible and not to compromise at all with the content, simplicity in language, understanding and styling. The books are impeccably functional and fresh in approach and ideas.

The Goal of Bairn series is to encourage creative thinking and reasoning abilities of the child to create a more effective learning process that inculcated the basics as well as the high end requirements of the competitive world.

Our team is constantly evolving, bringing fresher and more talented writers, illustrators, designers and many more in the team that is relentlessly making efforts to bring you the best possible value for money.

We hope, you would be a part of this mission that we have undertaken to create a better ‘thinking’ system of education that excites not just the parents but also the children.

## About the Books

**English, Hindi and Punjabi Alphabet :** makes learning the alphabets easy and full of fun. Every picture in this book is unique and the child would be able to form association with each letter. As the young children are eager to look at the colourful pictures, learning would be fun.

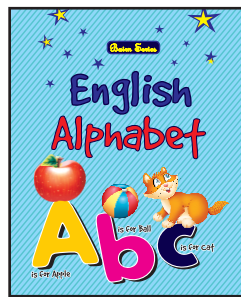

**English Writing (Capital & Small) :** This book helps little kids to write and recognize alphabets. As it includes practice in this book.

It helps them to learn and to form letters correctly. This book provides a lot of space to children to practice and includes interesting activities.

**Cursive Writing (Capital & Small) :** This deals with cursive writing in both capital and small letters and contains enough exercises which would make the young children perfect in this art. Cursive Writing (joining letters) help children, to join the letters to form words in both capital and small letters.

**Picture Dictionary :** Picture Dictionary with its attractive and colourful pictures impresses not only the children but also the teachers. The picture dictionary with its bright and colourful pictures and step-by-step learning leaves a spontaneous and ever-lasting impressions on the minds. Providing such books to children in their formative years would develop their imaginative and creative faculties.
